

Autumn Term 1:

Claude Monet and The Houses of Parliament

Claude Monet 1840-1926

The Houses of Parliament

Mark making:

The marks we make with materials to create different effects.

Impression:

The feeling we give others through our work.

Paint:

A medium we use to create marks and effects using colour.

Landscape:

An area of land that we can see before us.

Technique:

A specific method of achieving our goal.

mark-making

Monet is known as one of the founders of the **Impressionist** movement, along with the other artists experimenting with painting styles at that time.
