We advise that if practising lists containing over 10 words that you choose 10 to focus on each week until they have mastered this.

It also may be a good idea when practising to add in some words that the children already know to boost confidence when spelling and swap out some they are really struggling with, coming back to them a couple of weeks later.

The year one common exception word list can be found on the school website as well as google and contains 45 words.
