

Owl Class Homework, Term 4

We have given you weekly activities that **must** be done in green. We have then given you 6 activities to choose from and would like you to complete at least 3 of these activities over the Spring term. Remember, these activities while encouraged, are optional. We are hoping you will put a lot of effort for each piece and you will enjoy sharing all your hard work with the rest of the class. Any homework completed is due in on a Monday.

Must do (weekly)	Spellings (Practise your spellings/learn spelling rule)	Complete the weekly tasks set by Mrs Shears	Reading (at least 3 times a week)
Could do activities (During term 4)	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>Bake some treats using Fairtrade products. Use the link for some ideas https://www.wlv.ac.uk/media/wlv/pdf/fairtrade_recipe-book.pdf</p> <p>Take photos of you making the treats, or even better, bring in a sample!!</p>	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>Take a trip to your local supermarket. Look at all the foods that have the Fairtrade Logo on them. Can you find the country of origin? What types of foods have you found? Record you findings or take some photos</p>	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>Design an environmentally friendly playground that provides a safe play place. Make sure it has adequate shade and uses recycled equipment/parts to create an interesting and engaging space. Consider using natural materials as well.</p>
	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>Design a sustainable garden patch for our school. Think about how to provide shade and recycle resources at school to maintain the garden. Considering a watering system that will keep the garden going when we aren't at school</p>	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>https://www.cbc.ca/parents/play/view/plastic-cup-mini-greenhouses</p> <p>Look at this website to see how you can create your own mini greenhouses at home. Start an organic garden indoors. Take regular photos of your seeds transforming into a sprout and eventually a plant that's big enough to go outdoors. Remember to recycle the cup when you have finished the project</p>	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>Maybe you are having a clear out of old clothes at home. Instead of getting rid of them, could you make them into something new? You could either make something new for yourselves or how about making an outfit for a special toy (I know you all have them!). Design your product carefully and evaluate at the end. How successful were you? Is there anything you would do differently next time?</p>
Optional Research Project	<p>HOW CAN WE LIVE SUSTAINBLY?</p> <p>Research what other countries are doing to be sustainable. Make notes and then present what you have discovered. This could be done as poster, a fact file or even a PowerPoint presentation</p>
