

# Superheroes

How can you help others with your superpowers?

Key Vocabulary	
Superhero	A fictional character with superhuman powers.
Hero	A person admired for their bravery and courage.
Disguise	Having a different appearance so you do not know who it is.
Transform	To change from one thing into another.
Rescue	To save someone from a dangerous or difficult situation.
Protect	To keep someone safe from harm or injury.
Villain	A character who is the 'baddie' or evil.

What would your superpower be?

Paramedics, firefighters and police officers are people who help us when there is an emergency, when something has gone wrong and we need help very quickly.

**When we need help quickly, when it is an emergency, we call 999.**
