

# Year 3 Stone Age Home Learning Autumn Term 2 2024

Each week you will be given 3 activities that **must** be done. We have then given you 6 activities to choose from and would like you to complete at least 1 of these activities over the term. These are not compulsory but will help you with your understanding of our topic this term. Optional homework will be shared with the rest of the class and rewarded with a gold coin for your house team.

<b>MUST DO</b> activities (weekly)	<b>Reading 3 x per week</b> Remember to record your reading in your reading record 3 times per week to receive a flying high award at the end of term.	<b>Spellings</b> Practise your weekly spellings ready for your test – see if you can put the words into a sentence.	<b>Timetables</b> Rehearse and practise your x tables as often as you can. By the end of year 3 you need to know the 2, 3, 4, 5, 8 and 10 times table.
Could Do Activities (please choose at least 1 of these activities to complete over the term)	<p style="text-align: center;"><b>Volcanic Eruption</b></p> <p style="text-align: center;">Follow the instructions from the link to create a simulation of a volcanic eruption.  <a href="https://www.glasgowsciencecentre.org/learn/psc-at-home/listings/make-your-own-volcano?gclid=Cj0KCQiwEJKgBhCaARIsAN_yS_mq8aRnSks2FAE8jMT-zfynbxppCMLIPWsBXZ4o0G6KBTdEqsDItAcaAoDTEALw_wcB">https://www.glasgowsciencecentre.org/learn/psc-at-home/listings/make-your-own-volcano?gclid=Cj0KCQiwEJKgBhCaARIsAN_yS_mq8aRnSks2FAE8jMT-zfynbxppCMLIPWsBXZ4o0G6KBTdEqsDItAcaAoDTEALw_wcB</a></p>	<p style="text-align: center;"><b>Firework Night</b></p> <p style="text-align: center;">Our class story is <i>The Firework Maker's Daughter</i>. Watch some fireworks with your family and write a description about the experience. Remember to use all of your senses.</p>	<p style="text-align: center;">Design a firework</p> <p style="text-align: center;">Think about the different fireworks you might see on Bonfire Night. Draw a design for a firework. What will it look like? What is it called? What will it be made from? Think creatively.</p>
	<p style="text-align: center;"><b>Make a Volcano</b></p> <p style="text-align: center;">Use a range of materials available at home to make your own volcano. You could use pare Mache, sticks, paint or anything else you can think of.</p>	<p style="text-align: center;"><b>Marvellous Mountains</b></p> <p style="text-align: center;">Choose a famous mountain from around the world and create a factual poster all about it. Make sure to find interesting facts and include amazing pictures.</p>	<p style="text-align: center;"><b>Earthquake Survival Guide</b></p> <p style="text-align: center;">What things are important to do and have in the event of an earthquake? Create a survival guide to help others.</p>
