Christians believe God is omnipotent, omniscient and eternal, and that this means God is worth worshipping.

Christians do not all agree about what God is like, but try to follow his path, as they see it in the Bible or through Church teaching.

Christians believe God is both holy and loving, and Christians have to balance ideas of God being angered by sin and injustice but also loving, forgiving, and full of grace.

Christians believe getting to know God is like getting to know a person rather than learning information.
