Statement about the processing of biometric data

Statement date: January 2026

This statement confirms that, at Derry Hill Cof E VA Primary School, we do not store or process any form of biometric data, such as fingerprints or retina scans.

The governing board and data protection officer (DPO) will review this statement on at least an annual basis. The next scheduled review date for this statement is January 2027.

If the school does decide to store or process biometric data, a policy will be implemented for the processing of such data, which would be made available on the school website. Any changes made to the school's position on the processing of biometric data will be clearly communicated to all staff, parents and pupils.

If you have any questions about this statement, please contact the DPO on admin@derryhill.wilts.sch.uk.
