We teach blending so your child learns to read

- Teacher-led blending is taught throughout Phase 2.
- Our aim to is to teach every child to blend by Christmas.
- We will inform you if your child needs additional practice.

Blending to read words

Tricky words

- These words have unusual spellings e.g. he, the, was.
- They are taught in a systematic way.
- Children will soon be learning to read the Phase 2 tricky words: is, I, the, put, pull, full, as, and, has, his, her, go, no, to, into, she, push, he, of, we, me, be.

Reading tricky words

We will then move on to teaching Phase 3

In Phase 3 children learn:

- the vowel digraphs and trigraphs
- to read words containing the Phase 3 digraphs and trigraphs
- to read longer words ('chunking').

Phase 3 vowel digraphs and trigraphs

Reading words with vowel digraphs/trigraphs

- During Phase 2 we teach your child to blend using the teacher-led blending approach.
- Now they will start to blend independently.
- Children are taught to spot the digraph/trigraph in words first.

Reading longer words

- During Phase 3, we start teaching children how to read longer words.
- We do this using a method called chunking.

What next? Our progression

Little Wandle Letters and Sounds Revised 2021: Programme progression

Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

Reading and spelling

Spelling

- During phonics the children will practise the correct formation of letters.
- Your child will be taught how to spell simple words, using the graphemes they have been taught. We will do this every day during our phonics sessions.

Phase 2 grapheme information sheet

Autumn 1

 p	 penguin	Bring your lips together, push them open and say ppp	Down the penguin's back, up and around its head.

- After half term they will begin to practise writing a dictated sentence.

How do we teach spelling?

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

How do we practise reading in books?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups
- children in Reception will bring a book home next week.

How do we find the right book for your child?

Reading a book at the right level

This means that your child should:

- know all the individual sounds and tricky words in their phonics book well
- stop and sound out some words by the time they bring the book home – but they should be able to do this on their own.
- read some familiar words automatically to build up fluency – this will happen more often after Christmas

Reading at home

Books going home

Listening to your child read their phonics book

- The first book your child brings home may be wordless.
- Your child should be able to read their book without your help.
- They might sound out words and blend them before they read them fluently – don't rush.
- If they can't read a word, read it to them.
- Talk about the book and celebrate their success.

Reading a wordless books

Wordless books are invaluable as they teach reading behaviours and early reading skills to children who are not blending – yet!

- Talk about the pictures.
- Point to the images in the circles and find them on the page.
- Encourage your child to make links from the book to their experiences.

Read to your child

The shared book is for **YOU** to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language.
 - Encourage your child to use new vocabulary.
 - Make up sentences together.
 - Find different words to use.
 - Describe things you see.

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.
